

NONPROFIT ORGANIZATIONAL HEALTH SCORECARD™

A board and staff diagnostic across mission, governance, sustainability, and culture. Used to open the ELEVATE engagement.

Most nonprofit leaders work inside their organizations every day without stepping back to assess structural health. This scorecard gives you that outside view — a diagnosis across seven domains. Rate each domain honestly, 1 (Foundation) to 5 (Alignment).

1	Mission Clarity & Alignment	<i>Does your entire organization know what you exist to do — and act accordingly?</i>	Rate: ____ / 5
2	Board Governance & Engagement	<i>Does your board lead with clarity, accountability, and genuine ownership?</i>	Rate: ____ / 5
3	Leadership Health & Staff Culture	<i>Is your organization led well, producing a healthy, sustainable culture?</i>	Rate: ____ / 5
4	Strategic Planning & Direction	<i>Does your organization operate from a living plan, or the urgency of the moment?</i>	Rate: ____ / 5
5	Financial Health & Sustainability	<i>Are your finances structured to sustain the mission, not just survive the year?</i>	Rate: ____ / 5
6	Community Trust & Measured Impact	<i>Do the people you serve trust you, and can you prove impact with evidence?</i>	Rate: ____ / 5
7	Organizational Resilience & Succession	<i>Is your organization built to outlast any single leader or funding cycle?</i>	Rate: ____ / 5

Total Score: ____ / 35 Health Stage: ○ Foundation (7–17) ○ Development (18–28) ○ Alignment (29–35)

Your Mission Deserves a Strategy as Strong as Your Passion.

This scorecard is the beginning of a conversation. Book a complimentary 30-minute Organizational Discovery Session to walk through your results and the full diagnostic.
